The Aircraft shall be deemed to have been restored to the control of the Insured on the safe return of the Aircraft to the Insured at an airfield not excluded by the geographical limits of this Policy, and entirely suitable for the operation of the Aircraft (such safe return shall require that the Aircraft be parked with engines shut down and under no duress).

Subrogation

3. Upon an indemnity being given or a payment made under this Policy, we will be subrogated to your rights and you will do everything necessary to assist us to exercise such rights.

4. You shall in any proceedings brought by you do all things necessary to recover and hold on trust for us any amount which we would have been entitled to recover in a subrogated action.

Variation in risk

5. Should there be any changes in the circumstances or nature of the risks which are the basis of this contract, you must give immediate notice thereof to us and no claim arising subsequent to such changes will be recoverable unless such changes have been accepted by us.

If You cancel the Policy, We may deduct a pro rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the Policy and any Government taxes, duties or fees paid in relation to the Policy that We cannot recover. There will be no return premium in respect of any Aircraft on which a loss is paid or is payable under this Policy.

Notwithstanding any other cancellation provision contained within the Policy, in the event of an instalment of premium not being paid by its due date, we will have the right to cancel the cover given under this Policy by giving ten (10) days' notice of cancellation, the notice being deemed to commence from the date the notice is given.
8. Nothing in General Conditions 6 and 7 shall override the cancellation provisions contained in the Nuclear Risks Exclusion Clause AVN38B or the Extended Coverage (Aviation Liabilities) AVN52E of this Policy if endorsed hereon.

Assignment

9. This Policy will not be assigned in whole or in part except with our consent verified by endorsement hereon.

- (e) to any accidental loss of or damage to an aircraft defined in the Policy Schedule ("Insured Aircraft");

- (f) to any sums which the Insured shall become legally liable to pay, and (if so required by the Policy) shall pay (including costs awarded against the Insured) in respect of:
- i. accidental bodily injury, fatal or otherwise, to passengers caused by an accident to an Insured Aircraft; and/or
 - ii. loss of or damage to baggage and personal articles of passengers, mail and cargo caused by an accident to an Insured Aircraft; and/or

 - b. in respect of loss of use of any property unless it arises out of physical damage to or destruction of property in the accident giving rise to a claim under the Policy.
3. The Insured agrees that it has an obligation to disclose in writing to the Insurers during the Policy period any material facts relating to the Date Recognition Conformity of the Insured's operations, equipment and products.

Sanctions and Embargo Clause AVN111

Notwithstanding anything to the contrary in the Policy the following shall apply:

21. If, by virtue of any law or regulation which is applicable to an Insurer at the inception of this Policy or becomes applicable at any time thereafter, providing coverage to the Insured is or would be unlawful because it breaches an embargo or sanction, that Insurer shall provide no coverage and have no liability whatsoever nor provide any defence to the Insured or make any payment of defence costs or provide any form of security on behalf of the Insured, to the extent that it would be in breach of such law or regulation.

In circumstances where it is lawful for an Insurer to provide coverage under the Policy, but the payment of a valid and otherwise collectable claim may breach an embargo or sanction, then the Insurer will take all reasonable measures to obtain the necessary authorisation to make such payment.

In the event of any law or regulation becoming applicable during the Policy period which will restrict the ability of an Insurer to provide coverage as specified in paragraph 1, then both the Insured and the Insurer shall have the right to cancel its participation on this Policy in accordance with the laws and regulations applicable to the Policy provided that in respect of cancellation by the Insurer a minimum of 30 days notice in writing be given. In the event of

cancellation by either the Insured or the Insurer, the Insurer shall retain the pro rata proportion of the premium for the period that the Policy has been in force. However, in the event that the incurred claims at the effective date of cancellation exceed the earned or pro rata premium (as applicable) due to the Insurer, and in the absence of a more specific provision in the Policy relating to the return of premium, any return premium shall be subject to mutual agreement. Notice of cancellation by the Insurer shall be effective even though the Insurer makes no payment or tender of return premium.
