Discus 2B	\$1.50	\$90	\$405
Junior rate for Duo	\$1.07	\$64	\$405
Twin Astir TU	\$1.00	\$60.00	

- Max per day after one year's membership.
- Flying rates include oxygen.
- An additional \$50 daily fee for Temporary Overseas Pilots.
- Exclusive use - \$25 per day
- A pre-pay scheme is available, please see the pre-pay document

ACCIDENTAL DAMAGE

In the event where damage is sustained but not to the extent where an insurance claim is viable the pilot shall be responsible for the costs incurred, including transport arrangements to and from a repair facility chosen by the OGC committee, to repair / restore the glider to the same pre-incident condition up to the point where it becomes in the best interests of both the OGC and the pilot in command to lodge a claim with the insurer. The point where it becomes prudent to make a claim is when the cost of repairs exceeds the combined total of the excess plus loss of no claims discount.

INSURANCE EXCESS AND LOSS OF NO CLAIMS DISCOUNT (PCOR)

The insurance excess is calculated currently on 1% of the hull value but the PCOR figure varies. As an indicative figure, unless you are in the Excess buy out scheme, expect to pay:

GUO	Excess	\$1700.00
	PCOR	\$2456.00
Total		\$4156.00

ACCIDENT COSTS OPTIONAL BUY-OUT SCHEME - \$200.00 per financial year

Members who **Do Not** join this optional scheme accept they are fully responsible to pay the insurance excess and loss of no claims discount in full. The scheme **Does Not** cover Wheel-up landings.

Please advise the secretary if you wish to join this scheme.

WHEEL UP LANDING FEE - A minimum charge of \$500 will be incurred, plus additional repair costs.
